

Dear Lohr Parents/Guardians,

We had so much success our first year using the Teacher Tailored Kit program for our grade level school supply lists that we have partnered with them again for the 2022-2023 school year! However, you will need to make a choice now in order to take advantage of this sale! With Teacher Tailored Kits, you have the opportunity to purchase a supply kit for your child that includes almost all of their needed school supplies. All kits purchased through Teacher Tailored Kits **must be purchased online by June 10, 2022**, and all purchases will be safely delivered to the school in August before the start of the 2022-2023 school year. Here are the choices for you to consider.

Choice 1:

- Purchase a supply kit from Teacher Tailored Kits with Account # 43448 by June 10, 2022.
- After purchasing your kit, you will only need to provide a bookbag, an old adult t-shirt to be used in art, and a lunch box if needed. All other items will be provided in the kit!
- The supply kits will be delivered to the school and available for your student on Open House Night!

OR

Choice 2:

- Choose to purchase all of your child's school supply list items on your own. Your child's school supply list came home in their end of year report card. It is also attached to this email.

If you have any questions, please contact Mrs. Scaife at Elizabeth.Scaife@perrylocal.org as she is our building contact person for our supply kit sale!
